

Welcome to a brand new way to empower the youth in our community. By being the bridge that crosses the divide, #3SI will Stand and Deliver with Six Key Elements offered across three programs: Shortstop, JEM and Counseling program fees are waived for the summer.

- **Restorative Justice Element** – Share, Discuss and Construct a Consensus to a Solution That Benefits All-*Shortstop Program*
- **Law-related Education**- Discussing the consequences to breaking the law and arming our youth with their legal rights and responsibilities in a group setting. *Shortstop Program.*
- **Mindfulness Element** - The quality or state of being in the moment. This will include relaxation and breathing methods to identify and reduce the onset of depression and anxiety through our Juvenile Emotional Management Program *Juvenile emotional Management (JEM).*
- **Coaching Element** - Life skills training, financial literacy, concentration building. Our intent is for the students in 3S1 to excel beyond obstacles. **(JEM)**
- **Parenting Element** – Parental involvement throughout the entire process, with an emphasis in improving communication. **(JEM)**
- **Art Therapy Element** - doodling to relieve stress, learning simple water painting projects, drawing and shading. **(JEM)**
