I'm Getting Sentimental Over You

words by NED WASHINGTON

music by GEORGE BASSMAN

arranged by RICK HIRSCH

Here's an updated version of Tommy Dorsey's classic theme song. The warm orchestration features lush harmonies, a contemporary rhythmic setting, and is a wonderful vehicle for your trombone soloist. This makes a wonderful addition to concert and festival programs.

Rick Hirsch is an award-winning composer/arranger based in State College, PA. He welcomes you to contact him directly with feedback or questions.
