November 2022

Dear supporters,

In the Rear-view Mirror

This month started with our last missions conference which was a fantastic and restful week. We also had many churches take us on this month which was a huge blessing. We ended the month with a unexpected trip. I (Megumi) had to fly to Iceland for a few short days to get somethings done for Everett and Nathan making our transition in Iceland smoother. I made my residency permanent, signed the contract for our apartment, and a few other important things. It is amazing to know that God has blessed us by having such a smooth path to residency on the field. There is still quite a bit of paperwork we need to get through but to know that God is working on our behalf is such a blessing.

Thanking the Lord for:

Safety while Megumi was in Iceland and all that was accomplished there, for the support that we gained this month and those that faithfully support us. Our shipping logistics were also taken care of.

Sincerely,

The Sears Family
